

SET II – APPENDIX

2. What does she look like? / What is she like?/ What does she like? (Description of a person)

1) Background (General information, eg. where & when you met this person for the first time.)

Her name is Kate. She is my friend but she isn't my neighbour. I first met her at school. We go to the same school and we are at the same class but we don't sit at the same desk in the class room.

2) What does she look like?

a) (Age, height & build). She's 17, she is of average height and build. She isn't tall or short.

b) (Complexion, hair, eyes, nose & mouth). She's got fair skin with freckles and spots and straight dark hair. She has brown eyes, full lips and pointed nose. I think she is pretty.

c) (Clothes). She usually wears casual clothes, for example a sweater, jeans & trainers. Sometimes she wears formal clothes e.g. a smart suit or costume with a shirt & tie.

3) What is she like? (character, manners)

She's ambitious, sensitive, clever & helpful but sometimes a little bit lazy, messy, disorganized and too talkative.

4) What does she like? / What is she interested in? (hobbies & interests)

She likes listening to music, watching films and playing computer games but she doesn't like reading books and studying a lot. She is interested in history and biology. She is also good at English.

5) Why do you like her? / How do you feel about her? (comments on her, general feelings)

I like her because she is a good friend I can rely on her when I need her. *And a friend in need is a friend indeed.*

However, she is sometimes selfish, oversensitive, naughty or even nasty but generally she is a very good person.

3. What does your flat/room look like? (Description of my flat/house & room)

1) Where do you live? I live in Niska street In Tomaszów Mazowiecki in Poland.

2) What kind of house do you live in? I live in a semi-detached/detached house/block of flats. My flat/house is nicely situated. It is in a nice & quiet district, near the park. It is not far from city centre. My flat/house is big/medium/small. There is a garage at the front & big garden at the back.

3) How many rooms do you have?

I have 3 rooms: a living room & 2 bedrooms. I also have a kitchen, bathroom, toilet & hall.

4) What does your room look like?

My room is big/medium/small with a big window & balcony. It is square/rectangular with a white ceiling, yellow walls and a brown door. There are some flowers on the window sill.

5) What furniture is there in your room?

In my room there is a sofa & a desk with a computer on it. I have a bookcase/bookshelf with a lot of books & CDs. There is also a stereo and there are posters on the walls. There is a lamp on the ceiling. I have a brown carpet on the floor and a comfortable armchair I like sitting in.

6) How do you feel about your room? (Why do you like it?)

I like my room because it is nice, cosy and comfortable. When I am tired I can always rest in my room. I can read books, play computer games and listen to music. I often like lying on the bed and I have a rest.

5) How do you spend your free time?

When I have a free evening or weekend I usually watch TV or surf the net. I sometimes visit my family or go out to a fast food restaurant to meet with my friends. From time to time I go to the cinema or have a party. At the party we always have a good time – we usually chat, listen to music & watch films. When the weather is fine I go for a ride on a bike to the park or go for a walk. In summer I like going to the swimming pool or I like staying in the open air or at our summer house. I take long walks in the country, I walk across fields and through forests along the lake. When I am very tired I do nothing. I just lie on my sofa, rest & dream. Unfortunately, I have to learn a lot and I don't have much free time because I am too busy.

6) What's the weather like in winter, summer and today?

In winter it usually snows or rains. It is foggy, rainy & cloudy. It is wet and cold. It is often 5 degrees below 0 and the temperature often drops. In summer it is hot & sunny. The sun usually shines and the sky is blue. The weather is fine with a lot of sunshine and the temperature is of 25 degrees. Even when it is cloudy the sky often clears up and the temperature rises - soon it is getting warm, sometimes even hot. Today it is ...
